Call for application

Stephen W. Kuffler Research Scholarship

The *Stephen W. Kuffler Research Foundation* (www.kuffler.org) welcomes applications for the Stephen W. Kuffler Awards supporting original research by undergraduate, master and medical students.

The application is open for bachelor, master and medical students who carried out original research in Central and Eastern Europe in the academic year 2014/15 and continue it in the year 2015/16 in the fields of life and medical sciences. In the academic year of 2015/16, they should be still bachelor, master or medical students.

A personal stipend is 250 000 HUF/year and the duration of the Fellowship is one year.

The application form is available online in www.kuffler.org. Applications should be sent as one pdf file to kuffler@koki.mta.hu before **30th April 2015**.

Two letters of references (pdf files), one from a scientific advisor and one from another faculty member or colleague, should be sent directly to kuffler@koki.mta.hu before **30th April 2015**.

The application will be judged and ranked by the Trustees of the *Foundation* based on their scientific excellence and future potential. The winners will be announced and their names will be displayed on the web site of the *Foundation* (www.kuffler.org) on 15th July 2015. The *Foundation* will follow the developments of the Awardees and will request a short summary of the performed research after the completion of the Fellowship. The *Foundation* also aims to follow and support the scientific career of the Scholars after the end of the support period.

The Board of Trustees

12th February 2015
