Handout for healthcare professionals with foreign citizenship

DEAR APPLICANTS,
IF YOU ARE

- a healthcare professional,
- with foreign citizenship,
- and you do not intend to work in the area of healthcare in Hungary,
- and the permission for the healthcare activity – certificate of the Hungarian operational registration – is only necessary due to the recognition of professional qualification abroad,

please read this handout carefully.

If you are applying for operational registration on the first occasion, please be informed that you need the followings:

- Fill out completely and sign the application form

The registration to the Operational Register is only possible upon application, therefore applicants are required to fill out the application form and submit it either by post (as a registered letter) or in person (at our customer service)

Download: www.enkk.hu

Available: customer service

- Administrative fee

Upon first registration 3.000,- HUF administrative fee has to be paid by bank transfer to the bank account hold by ÁEEK (bank account number: **10032000-01490576-00000000**). The acknowledgment of the payment shall be attached to the application.

- Membership of the chamber

If you are a healthcare professional with foreign citizenship who do not intend to work in the area of healthcare in Hungary and the permission for the healthcare activity – certificate of the Hungarian operational registration – is only necessary due to the recognition of professional qualification abroad, **it is not obligatory to have the membership of the chamber.**

As indicated above, healthcare professionals can obtain operational registration without the membership of the chamber, provided that the Hungarian or English version of the „Declaration for foreign citizens” has been attached to the application form.

It can be found on our website – above of our application form.
