

## Curriculum Vitae

**Name:** Ildikó Dobos, Mrs. Kis

**Date of birth:** 11. May, 1966.

**Place of birth:** Szentes, Hungary

**Family status:** married with two daughters (Réka 1987, Petra 1991)

**Workplace:** 1990 – recent University of Szeged, Fac. Medicine, Dept. Physiology

**Position:** assistant professor

### **Qualifications:**

2015. University of Szeged, Fac. Medicine, PhD in Theoretical Medicine

Thesis title: Experimental modelling of spinal anaesthesia in rats.

2003. University of Szeged, Fac. Sciences, high school biology teacher's diploma (MSC)

1989. Juhasz Gyula Teacher Training College, a primary school teacher's degree in biology and chemistry (BSC)

**Language skills:** English (C-type intermediate language exam)

### **Teaching activities:**

Since 2014 Physiology seminar for Hungarian dental students

Since 2004 I am responsible for Physiology laboratory practice

Since 2003 Physiology laboratory practice in Hungarian, since 2015 in English for medical and dental students

Since 2000 Physiology laboratory practice in Hungarian for physiotherapist students

### **Honour:**

2013 Head of Faculty of Medicine Dean's Praise for education and organization of education

### **Scientific activities:**

2005-recent assistant professor, neuromorphological studies in rats with primer cell culture of dorsal root ganglion

2003-2005 biologist, behavioural pharmacology studies in rats

1990-2003 assistant, behavioural pharmacology studies in rats: modelling of spinal anaesthesia in rats

**Research interest:** neurobiology of pain, TRPV1 receptor function,

### **Membership:**

Since 2002 Hungarian Society of Neuroscience
